- Add weight to your resume for many career or educational purposes
- Optional certificate from International Interpretation Translation Association
- Automatic qualification to write the Interpretation and Translation Test (ITT Exam)
- Free extracurricular lessons to study for the ITT Exam

“IT-K was difficult, but useful in that I learned expressions I see a lot in my daily life. I improved my reading, writing, speaking and listening skills while simultaneously learning about the fundamentals of interpreting and translation. I also had a chance to take the Interpretation & Translation Test (ITT exam) after completing the course. I wrote the exam based on what I learned in class, and was very happy to receive the news that I passed.”

- Gillian, Koren
